The screenshot shows the 'aim2os' CMS interface. On the left is a sidebar menu with options: Wisata Malam, Dashboard, Sales, Catalog, Users, Marketing, CMS, Configuration, Locales, Types, Log, and English. The main header area shows 'Categories: 6 - Category (Wisata Malam)' with 'Cancel' and 'Save' buttons. Below the header, there are tabs for 'Basic', 'Media', 'Texts' (which is active), and 'Products'. A 'Find category' search bar is on the left. The 'Texts' tab displays a text editor with a rich text toolbar and a text area containing the text: 'Meta descriptions are important because they are shown in the search engine result page'. To the right of the editor are form fields for 'Status' (Enabled), 'Language' (All), 'Type' (Meta description), and 'Label' (Test Product Text). An 'Advanced' section is partially visible at the bottom.

- Products

The screenshot shows the 'aim2os' CMS interface with the 'Products' tab active. The sidebar and header are the same as in the previous screenshot. The 'Products' tab displays a table of products. The table has columns for 'Position', 'Status', 'Type', and 'Product'. There is one product listed: '1 - Demo article (demo-article)'. Below the table are pagination controls showing '1 / 1' and '25' items per page.
